[Business Address]

Dear [Business Name or Contact Person],

My name is [Your Name], and I'm reaching out on behalf of Atomic Athletics Soccer Club, where my child, [Player's Name], is a proud and passionate player. Atomic Athletics is a 501(c)(3) nonprofit youth club committed to building confidence, community, and character through affordable, high-quality soccer experiences for all kids—regardless of income.

We are currently offering businesses like yours the opportunity to become a sponsor and make a real impact on youth sports while receiving meaningful exposure in our community. Sponsorship funds go directly toward helping our teams grow, covering costs like field space, uniforms, player development, and financial aid.

As a thank-you, Atomic Athletics offers 20% of every sponsorship as a credit to the player you support—helping families like mine manage club fees and stay involved in the sport we love.

You can choose from a variety of sponsorship options—from event naming rights and gear branding to social media shoutouts and more. We'd be happy to help tailor a package that fits your business's goals and budget.

To get started, visit: <https://atomicathleticsutah.com/sponsorships>

Please be sure to include my child's name, **[Player's Full Name]**, in the designated spot during checkout so the credit is applied properly.

Thank you so much for considering this opportunity. Your support means the world to our family—and even more to the players and teams who benefit directly from your generosity.

Warm regards,

[Your Full Name]
